

DISCLAIMER

User must read and understand all instructions and safety warnings before installing and using Instatraction products, user is responsible for damage to persons or property that are caused while using this product. It is up to the user to determine if there are proper clearances between the tire, fenders, and any suspension or brake components to clear the traction cleat. Also, clearance must be checked by the user on the inside of the wheel so that the brake components will clear the strap when Instatraction products are applied and in use.

Instatraction products are only to be used for getting unstuck; never for general driving. Everything that contacts the road on your vehicle will eventually wear out. This is a very harsh environment. As such, user should remove Instatraction products as soon as he or she becomes unstuck. Instatraction products are not a replacement for four-wheel drive, aggressive tires, or tire chains. Instatraction products will not get you unstuck in all situations. Some situations require extra assistance or additional vehicles, such as a tow truck, to get a vehicle unstuck. User shall assess every situation to avoid hazardous situations and injury to persons or property.

Instatraction® is not responsible for repair or replacement that is required because of normal wear, accident, misuse, abuse, lack of maintenance, modification, tampering, the use of add-on or modified parts, improper operation, storage or maintenance, negligence, improper use or use in a manner not intended. Instatraction® is not responsible for repair or replacement that is required because of an Act of God, including but not limited to, lightning strikes, flooding, rain, snow, sleet, etc. Finally, Instatraction® shall not be responsible for repair or replacement that is required due to exceeding the load limits outlined in this manual. Any replacement part that is equivalent with respect to the functional performance of the original part may be used in the performance of maintenance or repairs. If any non-original Instatraction® part causes or substantially contributes to a failure, that failure will not be covered by this warranty. Instatraction® shall only honor this warranty and the rights and responsibilities set forth in this manual. Any statements, advertisements, or implied warranties made by sales agents or others shall not constitute any part of this warranty and shall not be honored.

Notwithstanding any statement or assertion, whether explicit, implied or otherwise, in this Limited Warranty or otherwise, Instatraction® shall in no event be liable with respect to any subject matter of this Warranty under any contract, tort, indemnity, negligence, strict liability, or other legal or equitable theory for: (a) any indirect, special, punitive, exemplary, incidental, or consequential damages or injuries that may arise in connection with the use or inability to use this product. To the greatest extent permitted by law, and notwithstanding anything in this Limited Warranty to the contrary, or the failure of essential purpose of any limitation of liability or limited remedy, Instatraction® maximum cumulative liability arising from or relating to this Limited Warranty or the subject matter hereof, under any legal theory, whether in contract, tort, indemnity, or otherwise, shall not exceed the amount paid to Instatraction® by Purchaser for the particular product that caused the liability.

Limited Warranty

Provided such goods are operated and maintained in accordance with the written instruction manual provided by Instatraction Products, LLC (hereinafter, "Instatraction®"). Instatraction® warrants that this product shall be free from defects in material and workmanship for a period of one (1) years from the date of purchase. This warranty is limited to the original purchaser of the product only and shall not be extended to any subsequent owners of the product during the coverage period. Repair or replacement parts are warranted for ninety (90) days from date of purchase. Any part repaired or replaced during the warranty period assumes the remainder of that warranty period.

Instatraction® shall pay for the parts and labor required to repair or replace the product. Instatraction® shall repair the product with new or factory rebuilt parts at Instatraction® sole discretion.

Purchaser's Responsibilities

In order to effectuate this warranty, Purchaser must register their product and activate the warranty within ninety (90) days of purchase of product. In order to register product, please send a copy of sales slip, to instatraction@gmail.com. The Purchaser agrees that should a problem arise, any warranty claim shall be submitted to Instatraction® in writing or via email, with a brief description of the problem, pictures or images of the problem, if possible, and the date of failure. Purchaser agrees to include a dated Proof-of- Purchase Receipt with any Warranty Claim.

Normal Wear

This warranty shall not cover repair where normal use has exhausted the life of a part, including, but not limited to, traction cleat, ratchet, strap, and strap retriever. Product, like all mechanical devices, needs periodic parts replacement and service to perform well. The service life of any Product is dependent on the care it receives and the conditions under which it has to operate. Some applications are very dirty, which can cause excessive wear. Such wear, when caused by dirt, dust or other abrasive material which has entered the Product and remained there due to improper maintenance, is not covered by warranty. This warranty does not apply to damage due to improper installation, external causes or scheduled maintenance.

CAUTION

The Instatraction Products are legal. However, emergency Instatraction Products are not in any way meant to take the place of the "Province Ordinances - Tire Chains Required" mountain chains. The Instatraction Products are an excellent traction aid when you are already stuck or anticipate getting stuck. Their easy installation and removal make them an ideal safety item to have in your vehicle.

Instatraction Products are designed for emergency short term use only! Instatraction Products are not designed for continuous driving!

Note: This product can only be used with slotted wheels. In addition, we recommend 2 Instatraction Products for cars and pickups, and 4 for semi-trucks.

Instatraction products are sold in sets of two. The purpose of these Instatraction products is only to get the vehicle unstuck from a sloped dock, side street, parking lot or driveway, etc. Instatraction products must be removed before continuous driving.

INSTALLATION INSTRUCTIONS

Pass the strap through the holes in the wheel rim and position the gripper and strap across the outside tire tread. Loop the strap through the ratchet and tighten.

WARNING
